Keyboard & Singing (Beginners)

This curriculum focuses on two of the most important musical skills--singing and playing the keyboard. Students will learn fundamental keyboard techniques, such as proper hand shape, note reading, and musical concepts. Students will also learn basic vocal techniques (breathing, ear training, use of Kodaly hand signs).

Children's Choir

Through proper vocal training in a group setting, children gain confidence and improve their self-esteem. This class is designed to introduce students to the basic techniques of vocal production, solfege singing, breathing, and expressive singing. Repertoires are selected from traditional to popular songs that are age and level appropriate.
